Photo Booth Upgrade options -

•**12" x 12" black or white Memory Album** - \$75 with 2" x 6" prints / \$150 with 4" x 6" prints. We provide white gel pens for the guests to write on the black pages. *(One photo strip goes into the album, the other photo strips go to the guests.)* The memory album can be used as your guest book. The finished album is given to you at the end of the event. *(Tip - Even if you want to use your own scrapbook you should consider using ours for the low cost. No hassle for you with regard to providing pages, pens, double sided tape and inviting your guests to sign, it's all done for you. You can always transfer the pages to a different book later.)*

•**4" x 6" postcard size photo prints for every person in the picture** - \$25 per hour. (No one in the picture walks away empty handed.) We'll also print one for a memory album if you are using one of ours.

•**Green Screen option** - Green Screen. \$100. Guests are photographed in front of a solid green backdrop. Any or multiple background(s) of your choice are instantly digitally inserted in place of the green screen for the finished photos. *(Guests will see themselves in front of the digital background(s) while their photos are being taken.)*

•**AI Background Replacement** - \$100 (An alternative when you don't have room for a traditional green screen.) There is no need for a green screen backdrop for guests to stand in front of. In fact, there is no need for a backdrop at all. AI counts the number of people in the photo, then replaces whatever background the guests are standing in front of. The only major difference between AI background removal, and traditional green screen, is the limitation of the number of people in the photo. Currently the AI can only accurately count up to four people. *(Four people or less in a background replacement photo is fine, as the more people in the photo, the less of the background will be shown.)* In the event of more than four people in the photo, the AI can be switched off for the larger groups.

•**Extra prints for your own scrapbook** - \$15 per hour for 2x6 prints / \$25 per hour for 4x6 prints. Although we print photo strips for each person in the picture, you may want an additional set of all the pictures if you plan on making your own scrapbook.

•**Special order** (not normally stocked) **backdrops** - \$100 to \$200.

•**Glam Booth** - \$100 Kardashian Booth or Glam Booth, whatever you want to call it, this is the booth that gives you those celebrity style photo booth pictures.

•**Virtual Photo Booth** - \$250 A great addition to the physical photo booths. The Virtual Booth can be used for guests who are unable to attend in person, collecting photos taken by your guests, Engagement Parties, Bachelor / Bachelorette Parties, Baby Showers, etc. (*Check the website for a full description of The Virtual Photo Booth.*)
